Manade es una empresa francesa que lleva desde 1972 participando activamente en la historia del diseño de espacios de oficina

Consciente de los retos en materia de bienestar y salud, Manade ha desarrollado su experiencia escuchando al mercado y los avances tecnológicos y sociales.

Los accesorios para la oficina la hacen más viva, personal, acogedora y funcional. Como todos somos diferentes y los espacios en los que trabajamos son múltiples y cambiantes, el dinamismo creativo de Manade se expresa a través del diseño de productos escalables, versátiles y orientados al usuario.

Un diseño comprometido, impulsado por la industria local

Manade ha construido su identidad en torno a la búsqueda de soluciones ergonómicas, centrándose en una política industrial eficiente y ecológicamente responsable. Todos nuestros productos se fabrican o ensamblan en nuestros talleres en Francia. Nuestra planta de fabricación respalda nuestra acción comercial, basada en el respeto de nuestros compromisos, la calidad, la fiabilidad y la durabilidad de nuestros productos.

Manade is a French company that has been actively involved in the history of office space design since 1972

Aware of the challenges in terms of well-being and health, Manade has developed its expertise, listening to the market, technological and societal developments.

Accessorizing your office makes it lively, personal, welcoming, functional. Because we are all different and the spaces in which we work are multiple and changing, the creative dynamism at Manade is expressed through the design of scalable, versatile and user-oriented products.

A committed design, driven by local industry

Manade has built its identity around the search for ergonomic solutions by focusing on an efficient and eco-responsible industrial policy. All our products are manufactured or assembled in our workshops in France. Our manufacturing facility supports our commercial action, based on the respect of our commitments, the quality, the reliability and the durability of our products.
