PLUG & PLAY DUO **Dynamics**

PLUG & PLAY DUO **Evolutive**

## PLUG & PLAY DUO **Dynamics**

Si lo que busca es simplicidad, opte por PLUG & PLAY DUO Dynamics, una solución llave en mano elegante, fiable y compacta. La estructura de triple articulación con brazo dinámico garantiza amplitud, flexibilidad y fluidez de movimiento para un confort de uso óptimo.

*If simplicity is for you, switch to the PLUG & PLAY DUO Dynamics, an elegant, reliable and compact turnkey solution.*

*The triple articulation structure with dynamic arm ensures amplitude, flexibility and fluidity of movement for optimal comfort of use.*

## PLUG & PLAY DUO **Evolutive**

Si busca una configuración personalizable y escalable de 1 a 3 pantallas, Plug & Play Duo Evolutive es la solución ideal. Los soportes, disponibles sin brazos, con brazos rectos simples, dobles o dinámicos, se deslizan a lo largo de la columna en una de las 4 ranuras.

*Looking for a customizable and scalable configuration from 1 to 3 screens, Plug & Play Duo Evolutive is the ideal solution. The brackets, available without arms, with single, double or dynamic straight arms, slide along the column in one of the 4 grooves.*
