

AMY-03 Wall coat rack 6 hangers with shelf and support for hangers

Linear wall-mounted metal coat rack with 6 hangers with upper shelf and support for hangers.

The elements can be linked together.

Hanger structure made of 2 mm thick steel, formed in a single folded piece.

The hanger bracket, made of $\varnothing 25 \times 1$ mm steel tube, is attached to the front of the structure.

The 1 mm steel top shelf reinforces the structure and provides a double use for the coat rack.

Architectural quality epoxy painted finish, highly resistant to corrosion.

It has 5 fixing points to the wall in the coat rack area and 2 on each of the side arms. Fixing by means of plugs and screws, included in packaging.

Dimensions: 604 x 340 x 162 mm.

Maintenance: No functional maintenance required. Cleaning recommended with a neutral product and damp cloth.

Fire resistance: Due to the characteristics of its all-metal materials, the container can be classified as V0.
