

## ARD-01 Art Deco wooden bench WISA

Bench for indoor and outdoor use.

Seat made of marine-grade birch plywood, manufactured with thin sheets bonded together using hot presses. Highly resistant and durable, it is lightweight, rigid and resistant to breakage, deformation and moisture.

Starting with the base element, the simple bench without legs with a metal structure, the following accessories can be added:

- Single or double backrest.
- Side armrests.
- Single or double legs.
- Planter.
- Power adapter.

Metal structures finished in RAL 1019 beige epoxy paint of architectural quality, highly resistant to corrosion. Cathaphoresis treatment is applied before painting to give maximum protection to the piece for outdoor use.

**Maintenance:** No functional maintenance required. Cleaning recommended with a neutral product and a damp cloth.
