

DEREK-51 DIN A4 horizontal aerial signage folder

DIN A4 horizontal vertical (useful) aerial signage folder.

3 mm colourless methacrylate folder with polished and matt edges with 3 mm steel trim assembled to the folder with an epoxy finish.

Its design offers high legibility and durability. It has 2 side tabs to facilitate the exchange of graphic documents if necessary.

The folder is fixed to the ceiling with a height-adjustable steel cable system (installation fittings included).

Dimensions: 297 x 23 x 226 mm.

Maintenance: No functional maintenance required. Cleaning recommended with a neutral product and damp cloth.
