

MINA-01 Waste bin

Waste bin for work, metal, painted in architectural quality epoxy, highly resistant to textured corrosion.

It incorporates non-slip rubber studs at the bottom to avoid direct contact with the floor.

Dimensions: ø25 x 326 mm.

Capacity: 15 litres

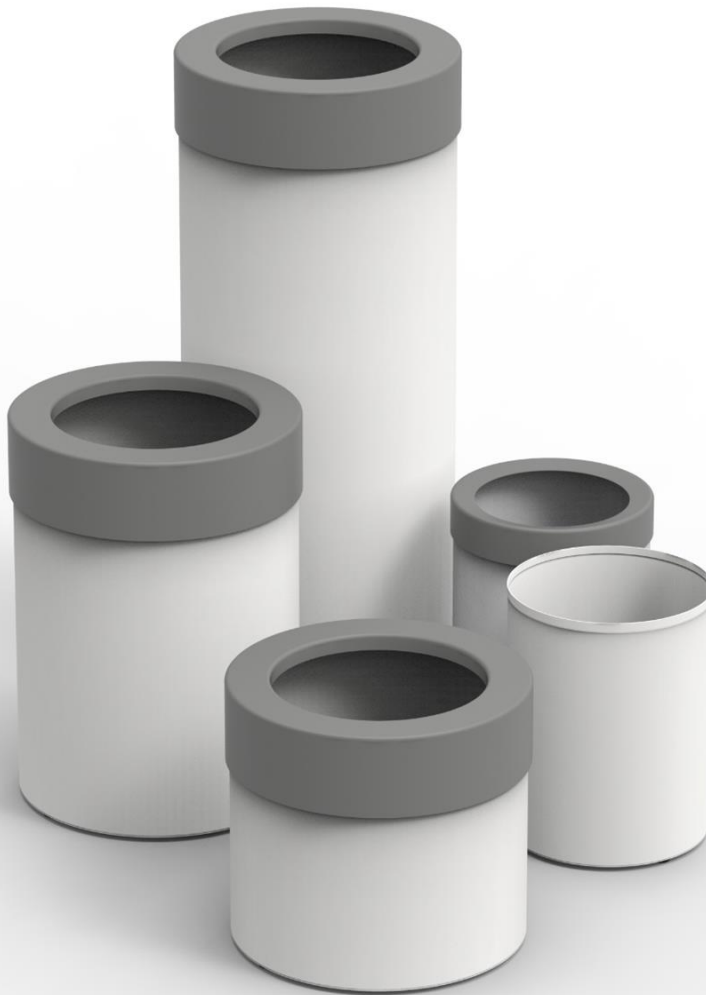

Maintenance: Does not require functional maintenance. Recommended cleaning with a neutral product and a damp cloth.

Fire resistance: Due to the characteristics of its totally metallic materials, the container can be classified as V0.
