

MINA-03 Waste bin for kids 15 litres

Litter bin with steel body and upper trim ring in powder-coated aluminium, colour customizable according to waste.

Vinyl with waste identification graphics incorporated into the body according to the colour of the trim ring.

Riveted studs at the bottom to avoid direct contact with the ground.

Ideal design to encourage recycling in the classroom.

Dimensions: ø255 x 328 mm.

Capacity: 15 litres

Maintenance: Does not require functional maintenance. Recommended cleaning with a neutral product and a damp cloth.

Fire resistance: Due to the characteristics of its totally metallic materials, the container can be classified as V0.
