

## TEA-o2 DIN A4 metallic brochure holder with box 210 x100 mm

Metallic brochure holder with box for 210x100 mm brochures.

Made of 1.5 mm steel support folded with 3 mm thick transparent methacrylate box.

Due to its design, it remains completely stable on the table (even with its 75° inclination).

The metal part is finished with epoxy paint in a colour to be determined.

**Dimensions:** 210 x 122 x 292 mm.

**Maintenance:** No functional maintenance required. Cleaning recommended with a neutral product and a wet rag.
