

## TEA-21 Aerial double sided poster holder 700 x 500 mm

Aerial double sided poster holder for poster 700x500 mm.

1 mm polycarbonate folder with perimeter frame screen-printed in a colour to be defined according to the project, supported by a 1 mm steel metal panel. The folder is attached to the metal support by magnet.

The folder assembly with metal frame is fixed to the ceiling with a system of height-adjustable steel cables (installation ironworks included).

Metal elements finished with epoxy polyester paint, architectural quality for greater resistance.

**Dimensions:** 500 x 20 x 702 mm.

**Maintenance:** No functional maintenance required. Cleaning recommended with a neutral product and a wet rag.
