

TEA-22 Double-sided aerial support folder for poster 1000x700 mm.

Double-sided aerial support folder for poster 1000x700 mm.

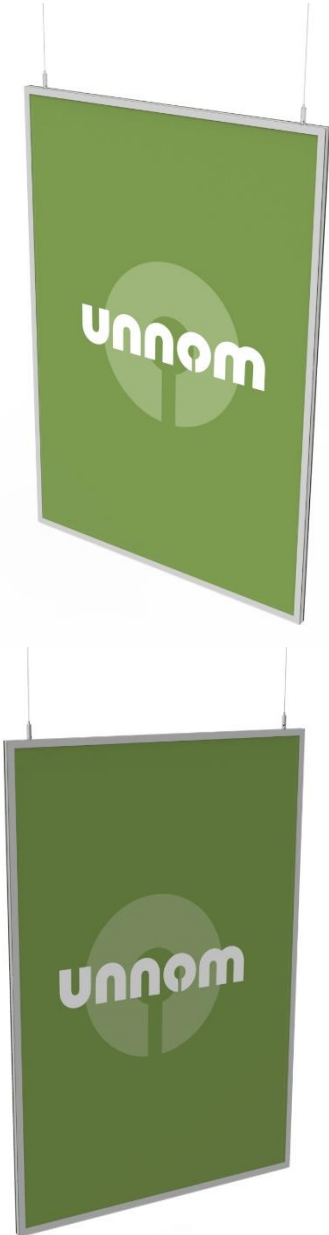

1 mm polycarbonate folder with perimeter frame screen-printed in a colour to be defined according to the project, supported by a 1 mm steel metal panel. The folder is attached to the metal support by a magnet profile.

The folder assembly with metal frame is fixed to the ceiling with a system of height-adjustable steel cables (installation brackets included).

Metal elements finished with epoxy polyester paint, architectural quality for greater resistance.

Dimensions: 700 x 20 x 1002 mm.

Maintenance: No functional maintenance required. Cleaning recommended with a neutral product and a wet rag.

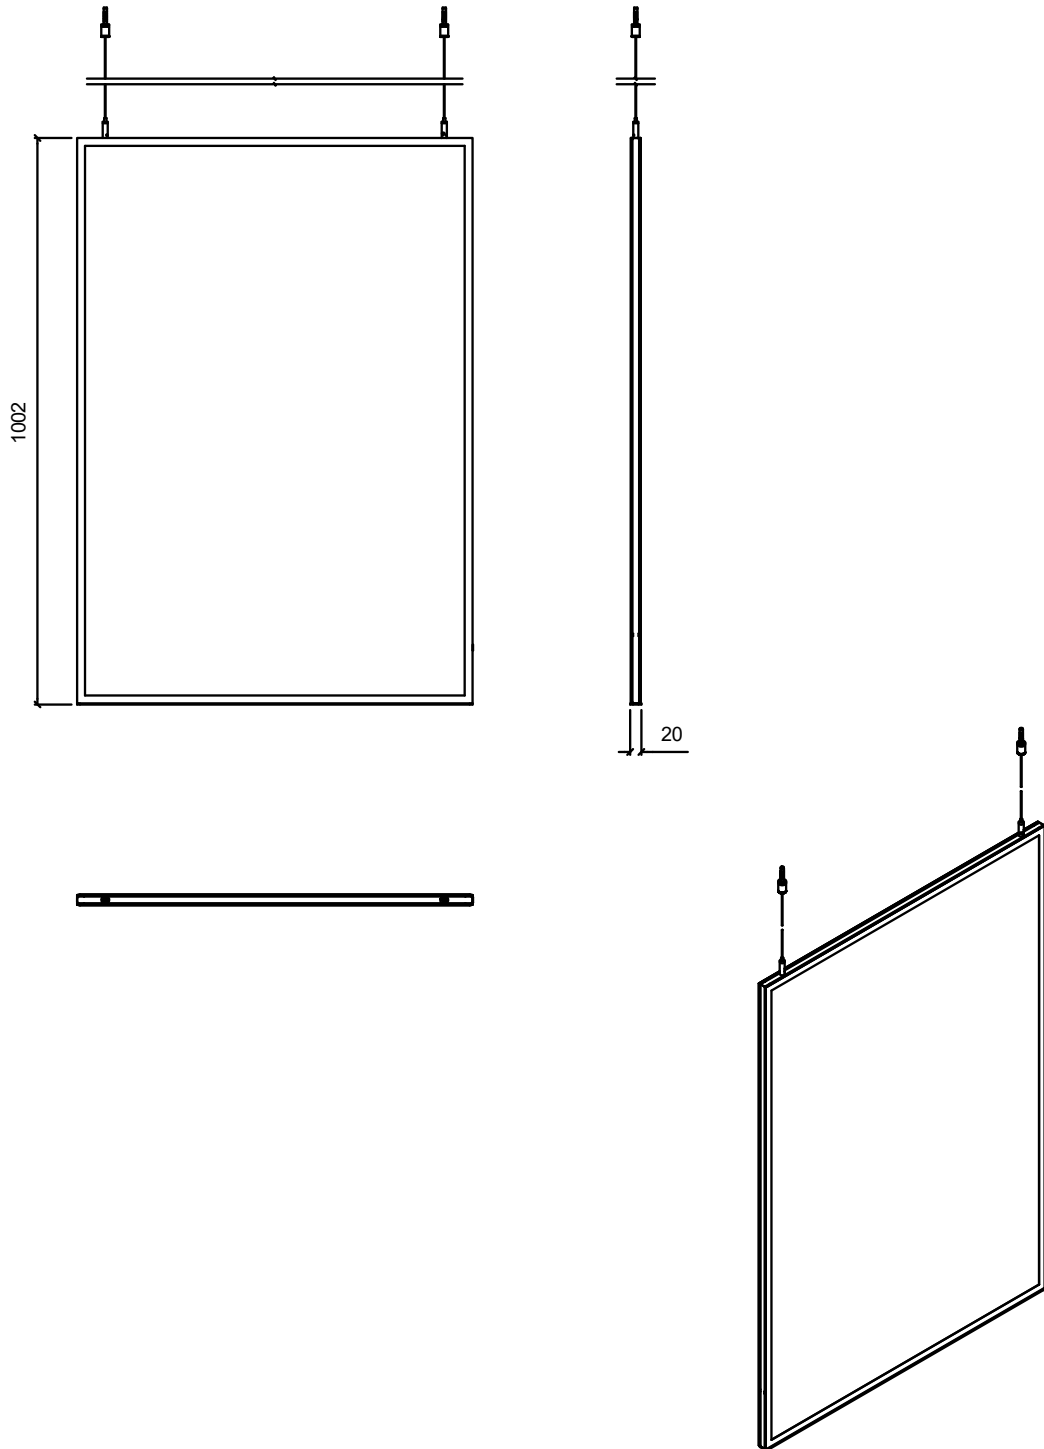

TEA-22 Double-sided aerial support folder for poster 1000x700 mm.

TEA-22 Double-sided aerial support folder for poster 1000x700 mm.
