

## TEA-23 Poster wall holder 700x500 mm

1000x700 mm poster wall folder.

Design that allows easy installation without visible screws.

1 mm polycarbonate folder with perimeter frame screen-printed in a colour to be defined according to the project, supported by a 1 mm steel metal panel. The folder is attached to the metal support by a magnet profile.

The folder assembly is fixed to the wall at the top and bottom with 1.5 mm steel plates.

Metal elements finished with epoxy polyester paint, architectural quality for greater resistance.

**Dimensions:** 500 x 20 x 702 mm.

**Maintenance:** No functional maintenance required. Cleaning recommended with a neutral product and a wet rag.
