

TEA-26 Air support 2 sides for 6 folders DIN A4 horizontal

Aerial support for 3 horizontal DIN A4 folders on each side.

8 mm thick foamed PVC support attached to a 1 mm steel perimeter frame by riveting nylon clips.

1 mm polycarbonate folders with top horizontal screen printing in a colour to be defined according to the project. Folders are attached to the panel with high adhesion Velcro.

The folder support is fixed to the ceiling with a system of height-adjustable steel cables (installation brackets included).

Metal elements finished with epoxy polyester paint, architectural quality for greater resistance.

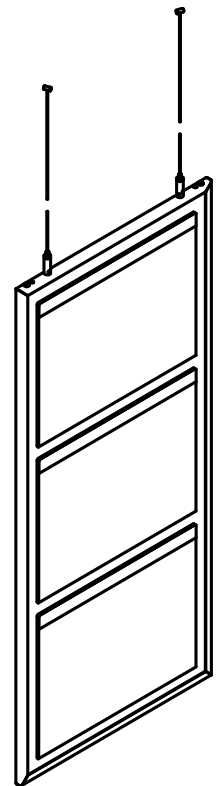

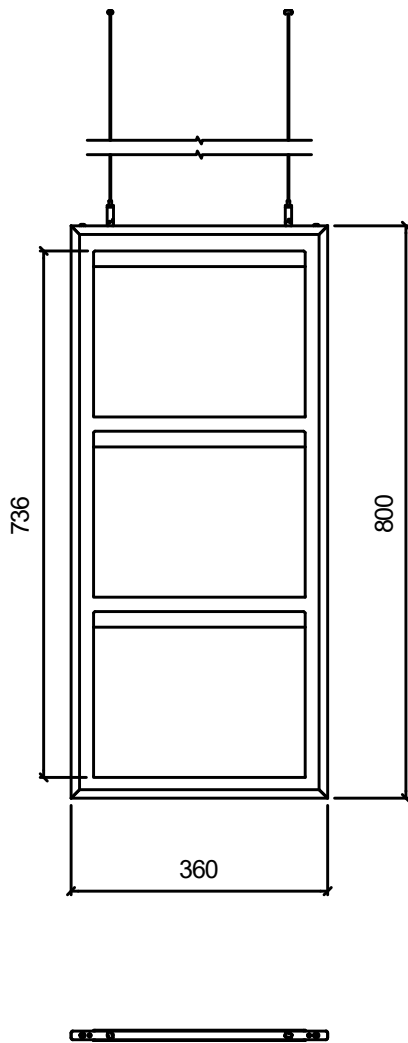

Dimensions: 360 x 12 x 800 mm.

Maintenance: No functional maintenance required. Cleaning recommended with a neutral product and a wet rag.
