

TEA-28 Wall bracket for 9 DIN A4 vertical folders

Wall bracket for 9 DIN A4 horizontal folders.

1 mm thick metal steel panel with wall fixing system using upper and lower steel brackets.

1 mm polycarbonate folders with upper horizontal screen printing in colour to be defined according to the project, fixed to the panel by nylon clips.

The folders are closed by velcro for industrial use, which at the same time are covered by the silk-screen printing.

Metal elements finished with epoxy polyester paint, architectural quality for greater resistance.

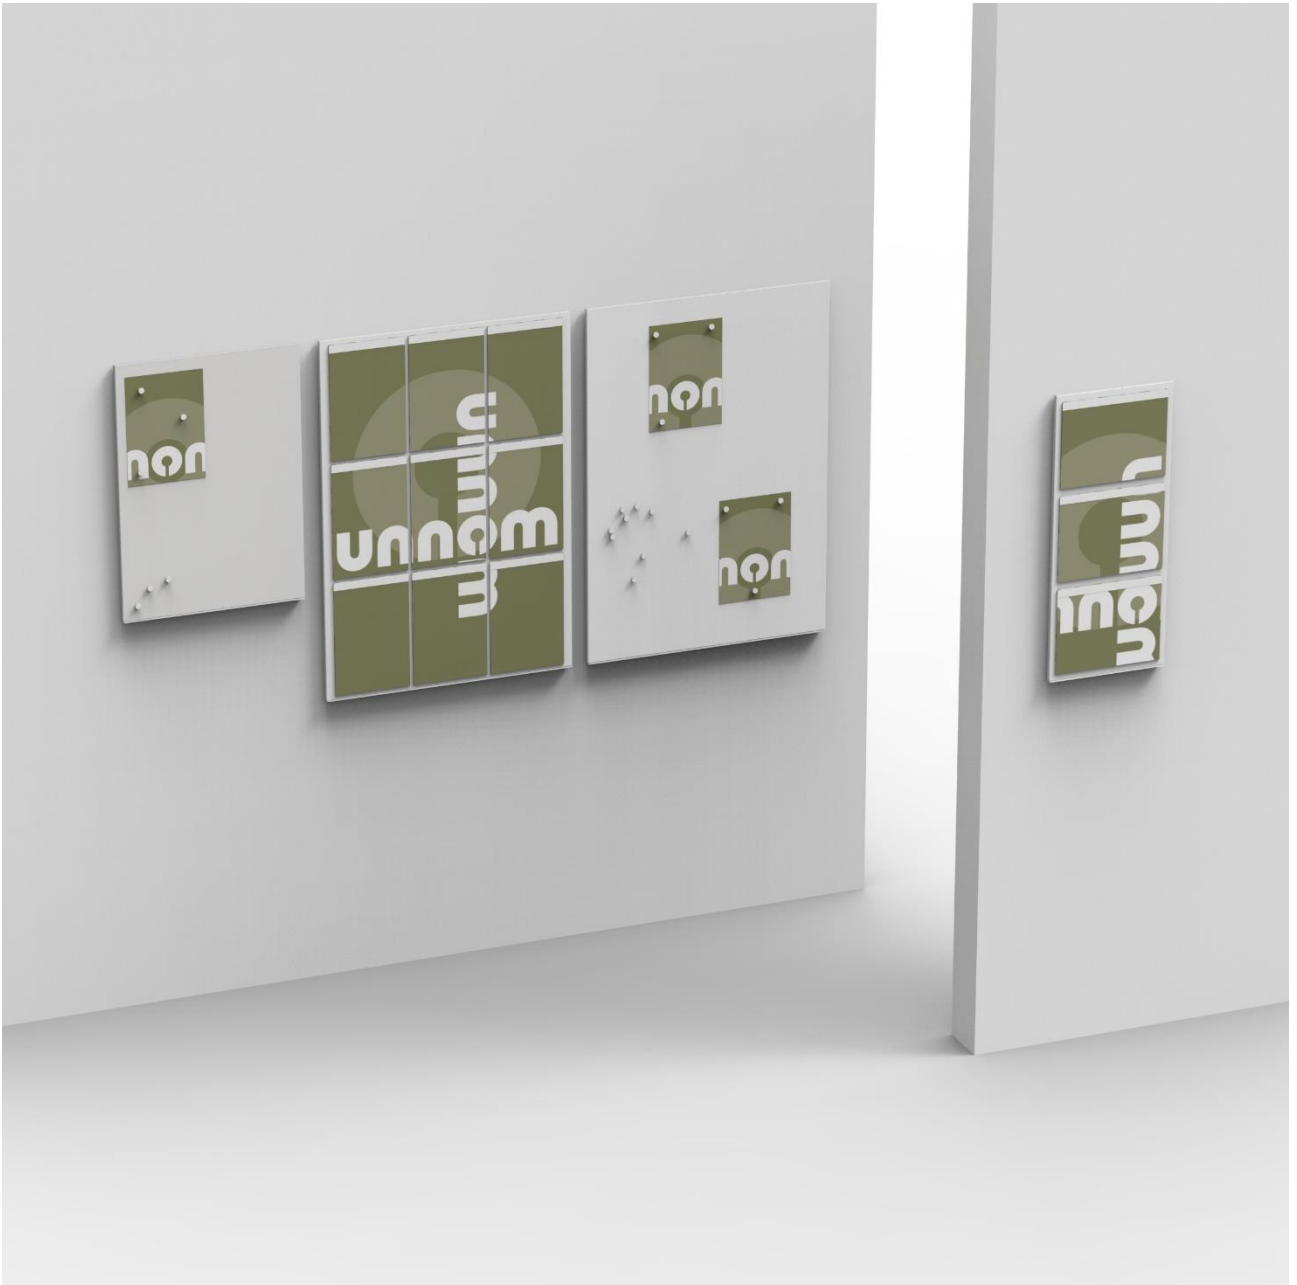

Size: 700 x 20 x 1002 mm.

Maintenance: No functional maintenance required. Cleaning recommended with a neutral product and a wet rag.
