

TEA-51 Wall magazine rack with 3 shelves for 3 DIN A4

Wall-mounted magazine rack with 3 built-in shelves for a total of 9 vertical DIN A4 sheets.

Metal element consisting of 2 vertical steel tube profiles 50x20x1.5 mm with upper and lower 'L' caps made of 3 mm steel, which in turn serve as wall fasteners.

The three shelves fixed to the vertical profiles are made of 3 mm steel and have a flange at the bottom to ensure that the document/magazine does not fall from the shelf.

Metal elements finished with epoxy polyester paint, architectural quality for greater resistance.

Dimensions: 790 x 284 x 1000 mm.

Maintenance: No functional maintenance required. Cleaning recommended with neutral product and wet rag.

Fire resistance:

Due to the characteristics of its all-metal materials, the container can be classified as V0.
