

VAI-11 Waste bin 100 l. with pedal and transparent front panel

Waste bin with cover, pedal-operated opening, with cushioned closing system. Includes bag-holder ring.

The cover is made of 1 mm aluminium and the body of 1 mm steel. Bright polished stainless-steel base.

Body and cover finished in architectural quality epoxy-polyester paint for greater durability.

The pedal is made of stainless steel for greater strength and durability.

Dimensions: 372 x 376 x 855 mm.

Capacity: 100 litres

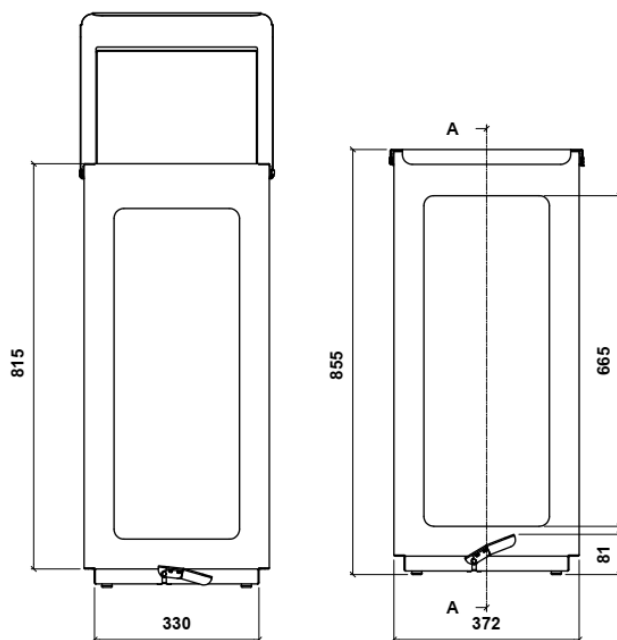

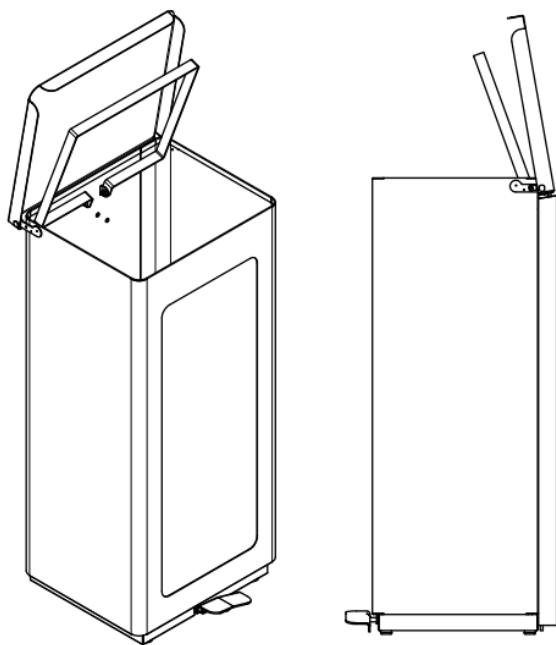

Maintenance: No functional maintenance required. Cleaning recommended with a neutral product and a wet rag.

Fire resistance: Due to the characteristics of its all-metal materials, the container can be classified as V0.
