

VISNU-03#1 Floor fixed waste bin with ashtray

24 litre standing waste bin with ashtray capacity.

Body made of steel with welded support at the top to house the removable ashtray in satin-finish stainless steel.

The ashtray has an anti-theft system.

Waste bin fixed to an aluminium plate structure with 4 holes in the lower part for anchoring to the ground.

It has a steel basket that can be tilted at the front to make it easier to remove the bag from the bag-holder ring by means of a magnetic attachment at the back (neomidium magnet).

Finished in high resistance epoxy paint for outdoor use in textured black RAL 9005.

Dimensions: 401 x 220 x 679 mm.

Capacity: 24 litres.

Maintenance: No functional maintenance required. Cleaning recommended with a neutral product and a wet rag.

Fire resistance: Due to the characteristics of its all-metal materials, the container can be classified as V0.
